Please review this important assembly, safety and warranty information about your new Merrithew™ equipment and keep it handy for future reference.
**User Guidelines**

Pilates equipment when used effectively can facilitate many Pilates exercises safely and effectively. However, care and caution must be taken as there are some inherent dangers when using any exercise equipment — especially when spring resistance is involved.

For inexperienced or first-time users, this equipment should only be used under the supervision of a trained professional.

Please ensure that you and your clients/patients have received proper instruction regarding the correct and safe use of this equipment.

Many exercises performed on the Spring Wall are part of the Cadillac repertoire. Full instructions are provided in STOTT PILATES Cadillac manuals.

This manual includes general guidelines for setup and usage. To get the most out of this equipment, Merrithew offers instructional DVDs and manuals. Personalized training is offered through our Corporate, Licensed and Host Training Centers. Visit merrithew.com for more information.

**Mechanical Safety Check**

Proper maintenance and timely replacement of your equipment or component parts is your responsibility as it helps reduce the risk of injury. Conduct a regular inspection of the following:

**Daily:** Clean all wooden surfaces areas after each use as per Care and Cleaning instructions.

**Weekly:** Check all springs and spring clips for wear and damage and replace as needed.

**Monthly:** Ensure all nuts, bolts, screws and eyehooks are securely fastened.

**Yearly:** Replace all spring clips

**Every Two Years:** Replace all springs

FAILURE TO PERFORM RECOMMENDED SAFETY CHECKS, OR USING THE MACHINE WITH IMPROPERLY ADJUSTED, BROKEN OR WORN PARTS, COULD RESULT IN SERIOUS BODILY INJURY.

---

**CAUTION**

IMPROPER USE OF EXERCISE EQUIPMENT MAY CAUSE SERIOUS BODILY INJURY. TO REDUCE RISK, PLEASE READ THE FOLLOWING:

- Before starting any exercise program, consult a physician.
- Stop exercising if you experience chest pain, feel faint, have difficulty breathing or experience musculoskeletal discomfort.
- Use equipment only for intended exercises.
- Do not use if equipment appears worn, broken or damaged.
- Do not attempt to repair equipment yourself without consulting Merrithew.
- Do not allow children to use or be around equipment without adult supervision.
- Keep body, clothing and hair free from all moving parts.
- Proper fitness apparel, including sticky socks is recommended while using this equipment.

WARNING: As with any athletic activity, the use of exercise equipment involves risk of injury, damage and/or death. By choosing to use Merrithew equipment, you and/or your clients/patients assume responsibility for that risk, not the people who sell, distribute and/or manufacture this equipment.
Spring Wall™

Hardware Required
not included

Affixing to Drywall
Butterfly toggle or
slotted hex head wall anchors 8

Affixing to Brick Wall
Masonry fasteners 8

Required Tools (not supplied)

Builder’s Level
Electric Drill
Assembling the Spring Wall

PLEASE DO NOT ATTEMPT TO ASSEMBLE ON YOUR OWN.

Installation of this product requires a minimum of two people. We highly recommend that you have this product installed by a professional contractor. Read instructions completely before beginning assembly. Improper installation voids equipment warranty. Merrithew will not be responsible for any injury or damage resulting from improper installation.

- Place all parts from the box in a cleared area and position them on the floor in front of you.
- Remove all packing material from your area and place them back into the box. Do not dispose of the packing materials until assembly is completed.
- To prevent unsafe or improper use, please read each step carefully before beginning.

1. Find support studs in wall (typically 16” / 40.64 cm apart) and mark off location.
2. Position the back board [3] 3-1/2” / 8.9 cm above the mat surface. Use a builder’s level or set square to ensure Spring Wall’s length is perpendicular to the floor.
3. Mark attachment point holes [2] against the wall over the underlying support studs.
4. Remove back board [3] and drill appropriately sized holes through wall
5. Position the back board [3] and screw it firmly against the wall. There are eight (8) attachment point [2] screw holes.

On a standard drywall surface, when only one support stud can be found, affix the remaining holes to the wall using butterfly toggle anchors, slotted hex head wall anchors or other appropriate heavy-duty drywall anchor fasteners. Brick walls require four masonry fasteners.

6. Attach springs to back board using spring clips. Test stability and solidness of the board to the wall before use.

SAFETY & USAGE

Safety Cautions

Improper use of exercise equipment may cause serious injury. To reduce risk, please observe the following:

- The Spring Wall should only be used by one person at a time, not weighing over 350 lbs / 159 kgs.
- Always choose the workout which best fits your physical strength and flexibility level. Know your limits and train within them. Always use common sense when exercising.
- Do not wear loose clothing while using the Spring Wall.
- Ensure a secure grip when holding the roll-down bar.
- When springs are used ensure the spring clips at both ends of each spring are closed completely.
- If a spring clip is only half closed, it may come undone and detach with high force
- If you are watching someone perform an exercise, never put your face (or any other body part) above the roll-down bars or extended springs.
- If the bar or spring handles are released suddenly they could fly upward and cause injury.

ROLL-DOWN SPRINGS
Attach roll down springs to eyehooks at desired height and ensure they are securely attached with spring clips.

LEG SPRINGS
Attach leg springs to eyehooks at desired height. Ensure spring clips are completely closed and secure.

LIGHT ARM SPRINGS
Attach light arm springs to eyehooks at desired height. Ensure spring clips are completely closed and secure.

Used to connect springs to equipment. Two types available. Locking spring clips are required for the push-thru bar with springs from below. Always ensure spring clips are closed completely. It may otherwise come undone and detach with high force.
Replacement Parts

For more information and to place an order, visit merrithew.com/replacementparts or email customercare@merrithew.com

**Leg Springs** – Green

Shown here with padded foot (long spine) straps attached.

**Light Arm Springs** – Yellow

Shown here with foam grip handles attached.

**Roll-Down Springs** – Black with Roll-Down Bar

Can also function as regular arm springs. Shown with roll-down bar attached (sold separately).

**Non-Locking Spring Clip**

Used to connect springs to equipment.

**Foam Grip Handles**

Cushioned and rounded, these provide extra comfort.

**Padded Footstraps** – Long Spine Straps

Also available without padding.

Optional Items

**Gripper Mat**

Non-slip rubber mats are handy to increase traction and prevent slipping. A gripper mat can be wrapped around push-thru bar, roll-down bar, uprights or placed on upholstered bed.

**Extension Straps**

Assists alignment of the knee joint. Available in two lengths: The standard 24” and 26” recommended for those with athletic thighs.

**Platform Mat**

Features dense foam padding and a supportive surface that provides faithful proprioceptive feedback. Footstrap included. Also available as a Split Raised Mat for easier storage.
Warranty

Merrithew™ warrants that all new equipment is free of manufacturing defects in workmanship and materials, subject to the terms below. This warranty becomes effective at the invoice date of the original purchase. Parts repaired or replaced under the terms of this warranty will be warranted for the remainder of the original warranty period.

It is the purchaser’s responsibility to notify the Company of any change of contact information. This ensures, that in the unlikely event of a replacement or safety notice, we are able to contact you immediately.

This warranty applies to equipment only:
- While it remains in the possession of the original purchaser
- and proof of purchase is demonstrated
- If claims are made within the part-specific warranty period
- If upgrades are made as required by Merrithew

This warranty shall be null and void if:
- Equipment failure is a result of improper assembly, installation or maintenance
- The equipment is used for any other purpose other than as intended, or is stored or used outdoors, or in environments without adequate climate/humidity controls
- Equipment has been subjected to accident, misuse, abuse, improper service, or any modification not authorized by Merrithew

This warranty does not cover damage to the finish of any equipment nor shipping charges, customs clearance fees (if applicable), or any costs incurred in installing repaired or replacement parts shipped under the provisions of this warranty.

Failure to change springs every two (2) years may void warranty.

Two (2) Year Limited Warranty
Merrithew will, at its option, repair or replace all other components other than upholstery, that fail for any reason, provided such failure is reported to Merrithew within a period of two years from the invoice date of the original purchase.

One (1) Year Limited Warranty
Merrithew will, at its option, repair or replace any of the parts listed below, provided that the part(s) fail due to a defect in workmanship or materials:
- Straps
- Handles
- Spring clips
We recommend spring clips be changed annually.

Disclaimer of Implied Warranties and Limitation of Remedies
Repair or replacement of defective parts is your exclusive remedy under the terms of this limited warranty. In the event of parts availability issues, Merrithew will not be responsible for any consequential or incidental damages arising from the breach of either this limited warranty or any applicable implied warranty, or for failure or damage resulting from acts of nature, improper care and maintenance, accident, alteration, replacement of parts by anyone other than Merrithew, misuse, transportation, abuse, hostile environments (inclement weather, acts of nature), improper installation or installation not in accordance with local codes or printed instructions.

This limited warranty is the sole express warranty given by Merrithew. No product performance, specification or description wherever appearing is warranted by Merrithew except to the extent set forth in this limited warranty. Any implied warranty protection arising under the laws of any state, province or territory including implied warranty of merchantability or fitness for a particular purpose, or use, is hereby limited in duration to the duration of this limited warranty.

Neither distributors, dealers, web resellers, nor the retailers selling this product have any authority to make any additional warranties or to promise remedies in addition to, or inconsistent with those stated above. Merrithew’s maximum liability, in any event, shall not exceed the purchase price of the product paid by the original purchaser.

IMPORTANT
Please keep this manual in a safe place.
If you have questions, issues or are missing parts:
Do NOT return this unit to your local retailer, please contact the manufacturer directly.
